MILLER-ISM ADMONITION.

Saves Three Men, Gabriel Blow Thy Horn to Travelers and Tramps.

Last Saturday morning James Brown, George Babcock and John Davis crossed the river at this place with two, two horse wagons and an extra horse going to Kansas; after they had passed; Eq. Geo. Ramsey who lives some six miles south of this came in pursuit of the said three persons; went to Eq. Sam'l Umstead made affidavit that the travelers had appropriated to their use a spring seat for a wagon and a winter warrant was issued for their arrest; Dr. H. Bradleyford, Dept. constable to execute the warrant, who with S. H. Stone, Eq. Ramsey and Perry Nixdorf, took the trail of the travelers on the Versailles road; after following them near Barnesville, 18 miles west of this, found them feeding. Dr. B. promptly read the warrant and arrested them back and before the justice, who proceeded to examine into the complaint. Babcock and Davis pled not guilty; Brown pled guilty. Eq. Ramsey and Nixdorf on part of the state, identified the spring seat and winter found in their possession, as being Ramsey's. Prosecuting Atty. Swaim read the statute in regard to petty larceny. Defendants without counsel. They were strangers in the land and should have a fine sufficient to them and others that petty larceny would not be tolerated. Eq. Umstead pronounced a fine of five dollars on each, with costs, in all \$18.25.

Thompson alect taught three young men from the State of Indiana going to Kansas. We will say that they were left on very light and reasonable terms; and that likely the lecture and lesson given them, by our Prosecuting Attorney and Justice may save them in the future of a term in the penitentiary or their lives. Had they gone untaught and unpunished for their little larceny, till they had fallen in the hands of vigilance committees in western Missouri and Kansas; the result might have been much worse.

Travelers, movers and tramps should never take that which does not belong to them.

To the People of Miller County.
